

JOB POSTING no. 2012-01

Construction Project Coordinator (Owner's Representative) – Okikendawt Hydroelectric Project

The Okikendawt Hydro Limited Partnership (OHLP) is a partnership formed between the Dokis First Nation and Hydromega Services Inc. to develop, build and operate a 10MW hydroelectric plant located on the French River at the outlet of Lake Nipissing.

Hydromega Services is searching for an engineer or an experienced technician to fill a position as construction Project Coordinator. This individual will be responsible for monitoring and/or coordinating all activities and field work on the construction site of the Okikendawt Hydroelectric Project. Construction is scheduled to begin in Summer 2012 with a planned Commercial Operation Date set in early 2014. As the representative of Hydromega's interests during the construction period, the coordinator will monitor and coordinate the activities of the civil, electrical and transmission line contractors, as well as those of the turbine manufacturer. Under the direction of the construction Project Director, the Project Coordinator will manage the daily issues involved during the construction and ensure that all relevant information is recorded.

Skills and Qualifications

- Engineer, member of The Professional Engineers Ontario (PEO), or technician, preferably in civil engineering, and member of the Ontario Association of Certified Engineering Technicians and Technologists (OACETT);
- More than 5 years experience in supervision of civil engineering construction projects, mostly in the field of electricity generation;
- Proficiency in computer software applicable to the discipline and the responsibilities involved (Word, Excel, Powerpoint, Autocad);
- English spoken and written. French an asset;
- Great autonomy and leadership;
- Effective oral and written communication skills;
- Ability to work with a team and to meet deadlines.

Employment Conditions

A competitive salary and employee benefits will be offered to the suitable candidate. This position will be located in the Dokis First Nation.

Candidates who wish to apply may do so by sending their curriculum vitae, along with an introduction letter, to the following e-mail address: : general@hydromega.com
Please make sure to reference the job posting number in the object of your e-mail.
