

JOB POSTING no. 2012-02

Environment, Health & Safety Coordinator – Okikendawt Hydroelectric Project

The Okikendawt Hydro Limited Partnership (OHLP) is a partnership formed between the Dokis First Nation and Hydromega Services Inc. to develop, build and operate a 10MW hydroelectric plant located on the French River at the outlet of Lake Nipissing.

Hydromega Services is searching for an Environment, Health & Safety Coordinator with experience in the Civil Construction industry. Under the direction of the construction Project Director, this individual will be responsible for ensuring that environmental, health and safety regulations and policies are followed by all employees, contractors and visitors on the construction site of the Okikendawt Hydroelectric Project. Monitoring of contractors' compliance with the recommendations of the Environmental Study Report (Okikendawt Hydroelectric Project) will also be part of his duties. Construction is scheduled to begin in Summer 2012 with a planned Commercial Operation Date set in early 2014

Skills and Qualifications

- Completion of post secondary training specializing in safety such as the Construction Safety Officer Certificate. Health, safety and environmental degree preferred;
- A minimum of 3 to 5 years of experience in safety and environment positions in the civil construction industry;
- Good working knowledge of and experience with federal, provincial and local workplace health & safety legislation, rules legislations and reporting processes and procedures;
- Proficiency in computer software applicable to the discipline and the responsibilities involved (Word, Excel, Outlook);
- English spoken and written. French an asset;
- Great autonomy and leadership;
- Effective oral and written communication skills;
- Ability to work with a team and to meet deadlines.

Employment Conditions

A competitive salary and employee benefits will be offered to the suitable candidate. This position will be located in the Dokis First Nation.

Candidates who wish to apply may do so by sending their curriculum vitae, along with an introduction letter, to the following e-mail address: general@hydromega.com
Please make sure to reference the job posting number in the object of your e-mail.
